Serial No. 22

From the Comptroller to Govt
No 503 B II dated 9-1-1939

Suggests that the Sub Division officers may be empowered to pass bills for well works estimated to cost not more than Rs 200.

It has been directed in para 4 of G.O. No. L 9479-99/V.P 63-36-27 dated 23-5-1938 that the amount required for well works will be drawn by the Dy Comrs from the Rural Water Supply Fund on bills, in accordance with the procedure laid down by the Comptroller.

The Comptroller states that in the course of a discussion with the Second Member on the subject, the Member was pleased to observe that it would facilitate work if the Sub Division officers are empowered to pass the bills instead of the Dy Comrs.

The Comptroller recommends that the Sub Division officers may be authorised to pass bills not exceeding Rs 200 as in the case of Mugrain Work Bills.

From

Comptroller to the Government of
His Highness the Maharaja of Mysore,

SECY. LOCAL SELF GOVT. RECD. 12 JAN 1939 GOVT. OF MYSORE.

To

P. H. Krishna Rao Esq., M.A.,
Secretary to the Government of Mysore,
Local-self Government Department,
Bangalore.

Sir

Procedure for drawing the amounts relating to the Rural Water Supply Fund.

Adverting to Government Order No.L.9479-99 V.P.63-36-27 dated the 23rd May 1938 on the above subject, I have the honor to state that instructions have been issued by this office to the Treasuries and the Deputy Commissioners to the effect that the amounts required for well works in rural parts should be drawn by the Deputy Commissioners, as directed in para 4 of the Government order. But in the course of a discussion with the Second Member of Council, recently, on the above subject, he was pleased to observe that it was brought to his notice that the above arrangement would be inconvenient to follow as the Deputy Commissioners have multifarious other duties to attend to, and that it would facilitate work if the Assistant Commissioners in charge of Sub Divisions are empowered to pass the bills instead of the Deputy Commissioners.

In this connection it may be pointed out that in the case of Muzrai Work bills, the Sub Division Officers are empowered to pass for payment bills relating to works estimated to cost not more than Rs.100/- Vide Article 265(b) III(3) M.C.A.C.Volume I, as introduced by Correction slip No.24 dated 4th February 1938. I am of opinion that in the case of well works, for which funds have to be drawn from the Rural Water Supply Fund, the Sub Division Officers may be empowered to pass bills of all works estimated to cost not more than Rs.200/-.

2

If Government agree to this suggestion, I request that necessary modification to the Government Order under advertance may kindly be caused to be issued to enable me to issue suitable modified instructions in the matter.

I have the honor to be,
Sir,
Your most obedient servant,

M. Vivayaratnam
Comptroller
